

Beltana Board of Management

Have you thought about being on the Board but not sure what to do?

Are you passionate about the club's future and would like to have your say in the day-to-day running of the club?

Volunteer in advance of any AGM and the current Board of Management will mentor and guide you in what happens in each role.

There is no obligation to commit or go on the Board but it may be something you consider for the future.

WHY?

- Guarantee Beltana's success for the future
- Great opportunity for extensive handover if you decide to be on the Board

Current Board of Management is happy to continue but would be delighted to know who is interested in running the club and want to share their knowledge and show you the way.

WHAT'S THE RESULT?

The incoming member will enter a Board role with knowledge of the past and understand what is required of them going forward.

This will mean the **CLUB's success will be GUARANTEED.**

In some cases, the outgoing member will be more than happy to continue to support you in the background if the new board member is willing.

WHAT NOW?

- Have a think about your skills and how Beltana could use them
- Volunteer to assist Board by approaching a Board member
- Be mentored and guided in each role
- Help Beltana succeed
- Have your say in how the club is run

The **SUCCESS** of OUR
CLUB is

EVERYTHING to **SO MANY**
